### Aims & Objectives

The MOU states the two organisations will honour and abide by the schedules of the agreement.

- To create and foster a spirit of understanding for promotion of civic cultural social and moral welfare of the student community.
- To provide a forum for the students and faculty to express thoughts views and hidden talents required for future citizenships.
- To facilitate social service activities in a partnership and collaborative spirit.
- To inculcate the spirit of service in the mind of philanthropic students to solve their community without personal financial rewards and to encourage efficiency to promote the high ethical standards.
- To promote the principle of good citizenship among the student community.

The memorandum will be the guiding document for both the parties for execution of the actions and activities in near future. Both the organisation will encourage its members to define the overall strategy and road map to carry out the action point in it and report on the progress achieve at regular intervals.

## Impressions:

During signing of the MOU, Principal Simulia College, Markona, Balasore welcomed the step of mutual assistance and viewed that while learning a feeling of social responsibility and spirit of nation building idea will be develop in their mind as they will be influenced by the noble motives of this international club. The President of Human Care foundation expressed his great fullness for having faculties and young students of an educational institution like Simulia college, Markona as it will be easier on their part to materialized all social activity with the help of these young masses.

The signing of MOU ended with a note to make this initiative a role model for academic and social service. How-ever the parties are involved are free to cancel the MOU at any time.
